Initial text snippet containing various characters and symbols, possibly a mix of text and noise.

Hit and source - focused comparison, Side by Side

Submitted text As student entered the text in the submitted document.
Matching text As the text appears in the source.

Table with 4 columns: Index (1/178, 2/178, 3/178), Submitted Text, Matching Text, and Words. It displays side-by-side comparisons of student text with source text, including highlighted matches and source URLs.
